

iCollege is a vibrant provision for learners aged 5-19 who are unable to access mainstream education. Barriers to learning may include social, emotional and behavioural difficulties, attendance issues or be at risk of exclusion.

We operate over 6 sites across West Berkshire working collaboratively with all stakeholders to deliver a broad, holistic and relevant curriculum which meets the needs of all learners, helping them to become the best that they can be. Many timetables are bespoke and meet the individual needs of the learner.

In addition to full time placements for learners, we also offer off-site, reactive provision to improve mainstream engagement for key stages 1-4 and on-site, short-term, proactive packages to support mainstream engagement.

This School is committed to safeguarding children and promoting the welfare of children and young people and expects all staff and volunteers to share this commitment. We will ensure that all our recruitment and selection practices reflect this commitment. Successful candidates will be subject to Enhanced Disclosure and Barring Service (DBS) checks along with other relevant employment checks including online searches.
